

Shoring Trailer Racks

Customizable shoring equipment racks for Shoring Trailers

Efficiency's customizable shoring equipment trailer racks are a perfect way to transform a standard trailer into a **FullStock Aluminum Shoring Trailer (FAST)**

Shoring Trailers are ideal for Public Works crews encountering a variety of excavation projects, since all necessary tools are available...no return trips to the yard for missing equipment.

All racks and other options can be re-sized, repositioned, and re-configured to fit your specific needs.

NOTE: Base tailers are not included and must be provided.
